Information you need to KNOW...

SE Tech's Commencement Ceremony for the Class of 2017 will be held on Thursday, June 8 at the Orleans Arena at 6:00 p.m.

Know the Procedures

Tickets

Graduation is an important memory for all families and we will try our best to accommodate each family's needs while being mindful of the enjoyment of all. Each graduating senior will be given 15 tickets. Seniors do not need tickets for themselves. All persons attending commencement must have a ticket including children. In addition, there will be no saving of seats at the ceremony.

If extra tickets are needed, you must complete the Google form by May 12. A link to the Extra Ticket request form is on the senior page at www.SECTA.us

as well as on Mrs. Smith's Google Classroom. The tickets will be distributed on May 24, during lunch in the Commons.

We ask that students who do not need all 15 tickets please return unneeded tickets to Mrs. Brinkman in the Senior Office.

Mandatory Checkout

Seniors will receive their check-out card from their CT teachers on May 22. Seniors must complete and turn in their check-out card to Mrs. Smith by June 6 to receive their lineup card for commencement.

The checkout process requires you to request 3 transcripts. You will need to acquire the transcript request form and envelopes from the Senior Office and provide your own stamps. You will also have to complete the senior survey. There is a link to the survey on the senior page at www.SECTA.us. Please print the last page of the completed survey.

Mandatory Rehearsal

A mandatory rehearsal for all commencement participants will take place in the SE Tech gymnasium on June 7 at 7:00 a.m. If you do not attend rehearsal, you will not be permitted to participate in the commencement ceremony. Regular school attire must be worn.

Know the Rules

Behavior of Participants – Any student who does not exhibit proper behavior will be immediately removed from the commencement area. A diploma will not be issued to the student at that time but

will be held until deemed appropriate by school administration. School personnel will be assigned supervisory responsibilities to assist students during the ceremony. Should a student be found to be under the influence of drugs or alcohol at the ceremony, he/she will be denied the opportunity to participate in the exercises and will be removed from the commencement area. In addition, a potential citation from law enforcement officials may occur.

Know Your Attire

Caps & Gowns - Participants must be lined up in their cap and gown by 5:00 p.m. on June 8, 2017, at The Orleans Arena. If you want pictures of your son or daughter in their cap and gown, please do so at home or after the ceremony.

Gown Wearing – The only acceptable items that can be worn over the official commencement gown are school designated academic/club cords, stoles, honor medallions, and valedictorian/salutatorian medallions. Unacceptable items such as corsages, leis, pins, etc. will be confiscated and returned to the students when they pick up their diploma.

Under the gown, boys should wear a collared shirt, dark slacks, dark socks and dress shoes. Girls should wear fingertip length dresses or skirts or dress pants. Girls should consider wearing flat shoes as there will be a great deal of standing and walking involved. Flip flops are prohibited.

After the Ceremony – The graduates will exit through the west and east doors of the meeting rooms; however, it may be easier to make plans to meet your graduate at a designated site.

Know Your Arm Strength

NO Mortarboard (Cap) Throwing – Due to the possibility of injury, the throwing of mortarboards as well as other objects prior to, during, or following the commencement exercise is strictly prohibited. Participants must have their caps with their name written on the inside of them to receive their diploma. Nothing may be written on or attached to the outside of the caps.

Know Your Diploma

Distribution of Diplomas – During the ceremony, school board members and designated CCSD school administrators will present diploma covers to the participants. The actual diploma will be given to the students determined by program major and last name as they enter the meeting rooms after the ceremony. Signs will be posted on the wall indicating your program major. Each graduate must show their cap with their name written on it to receive the diploma and commencement packet.

Know Your Graduation Rights

Commencement Ceremony – Privilege or Right? Parents and seniors should understand that a senior's participation in the commencement ceremony is an earned privilege and not a right. This privilege is extended to all seniors who have met the minimum requirements to receive a diploma. In addition, in order to retain this privilege, seniors should understand that SE Tech reserves the right to revoke this privilege at any time for the display of negative behavior on the part of any senior during the final quarter of the school year and up to the commencement ceremony itself. School rules and regulations will be strictly enforced as they apply to student behavior. Seniors who misbehave in the Orleans Arena or on stage will be escorted out of the facility and the diploma will be mailed home at a later date.
